Be The Entrepreneur You've Always Dreamed Of Becoming

Max James is an entertaining storyteller. From growing up on a farm, and the life-lessons learned through his father, to rescue pilot in Vietnam—shot down twice and lived to tell about it—to building a billion-dollar company from the ground up. **Your viewers will be entertained, inspired, and feel a sense of camaraderie as Max shares the lessons learned from failure, and the real-world steps it takes to bounce back.**

The Great Resignation has begun. Over *42 million employees left their jobs voluntarily in 2021...an unexpected consequence of COVID19 restrictions. Out of this mass exodus, 30% did so in order to start their own business... in other words, **people want to be their own boss.**

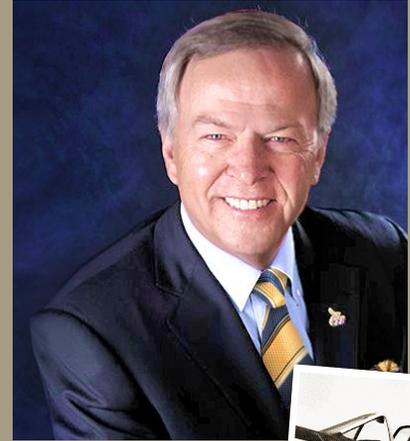

Having been featured in Fortune Magazine, live television appearances for GuthyRenker® along with dozens of interviews on multiple media platforms, **Max will give your listeners real-life experiences from the frontlines of entrepreneurship.**
